

Instructions for Podcast Download

Note: You must have iTunes installed on your computer to subscribe to podcast! You may download the current version of iTunes by clicking the link on the Media Player page.

1. On Audio Player, click *PODCAST*, click *RSS Feed*. An XML page will be displayed/opened. Copy the entire address in the address bar of your Internet browser.
2. Open iTunes. Click *Advanced* on the top bar. Click *Subscribe to Podcast*. Paste address from XML page into URL box. Click OK.
3. From the drop down menu beside church name, select files to “Get”.
4. MP3 files are saved on iTunes and in the *My Music* folder (subfolder iTunes › iTunes Music › Podcasts) and can be played with other media players (ex. Windows Media Player, Real Player, MusicMatch Jukebox, etc.)
5. Podcasts will be automatically updated when new episodes are added to our media player.
6. If you have questions, please do not hesitate to contact the church office.
